**BIDDER/RESPONDER SHALL CONFORM TO THE FOLLOWING CHANGES AS SAME SHALL BECOME BINDING UPON THE CONTRACT TO BE ISSUED IN RESPONSE TO THIS INVITATION FOR BID.**

Response to Questions:

- 1) Based on the limited number of hours per month and example engagements (call or email), this appears to be a purely advisory arrangement. - 2) How far along is NKU with this project - just beginning, or has the project been ongoing for some time? **The project has been going on for some time.**
- 3) If the project has been ongoing, has NKU been working with another consultant who may have advised NKU in a way that would affect the options available for completing the project? **Yes, we have been working with another consultant. No advising would have affected the options available for completing the project.**
- 4) How many examples of past Slate implementation projects are you seeking? **Minimum of 4 examples preferably highlighting solutions to complex requirements.**
- 5) Page 20, item 6.19: "If accessing NKU Student, Employee, or other personal records, vendor needs Evidence Breach Response Services coverage with limits no less than \$5,000,000." Did you intend to insert the word "of" between "evidence" and "breach"? **Reviewed by our insurance consultant. Language updated to read as follows:**  
  
*If accessing NKU Student, Employee, or other personal records, vendor needs to evidence Cyber Liability and Breach Response Services coverage with limits no less than \$5,000,000.*
